

Site Command post (SCP) sends completed Pandemic Physician Coverage Request to Zone Emergency Operations Center (ZEOC)

ZEOC approves request- if request is for provider types: Clinical Associate, Clinical Assistants or Resident, completed form is emailed to Acute Care Coverage (ACC) ACC@ahs.ca

Acute Care coverage cross references required skill set to Resident Program skill set list and determines which program Directors to forward request to

ACC send request to Program Directors

Program Directors contacts resident and determines which Provider will be the best fit

Program director sends Resident name and contact information to ACC

ACC completes form with pertinent information and send back to ZEOC, Contact Person/MRP, PGME (pgres@ualberta.ca)

Contact person/MRP connects with resident and arranges coverage.
