### Szechuan Restaurant

320 16 Ave NW, Calgary | [szechuanrestauranttogo.com/](http://szechuanrestauranttogo.com/)

A hole in the wall type restaurant with spice options ranging from mild to "traditional." Go test your tolerance for heat and try something new! For the less adventurous, they also have some of the best hot and sour soup and ginger beef in the city :)

### OEB

Multiple locations | [eatoeb.com](http://eatoeb.com)

OEB! It is the cutest and hippest brunch spot in the city. Great views, quiet but bustling, and delicious food. Since having my little one, we haven't had much time to get back there but I'm looking forward to the next visit!

### Last Best

607 11 Ave SW, Calgary | [lastbestbrewing.com](http://lastbestbrewing.com)

It's a local Calgarian craft brewpub a short walk away from the Sheldon M. Chumir Health Centre. It has a variety of delicious food and a good happy hour menu!

### Posto Pizzeria & Bar

### Longview Steakhouse

562076 Highway 22 West, Longview | [longviewstkhouse.com](http://longviewstkhouse.com)

Longview is a little bit of a drive away (less than 1 hour) and you need to make reservations months in advance, but it is the BEST food and service! Highly highly recommend!!

### White Elephant

1808 19 St NE, Calgary | [whiteelephantcuisinecalgary.com](http://whiteelephantcuisinecalgary.com)

White Elephant for thai food - their pad thai and Khao Soi are my favorites! They give large portions so you almost always have leftovers to take to work the next day as well!

### Santorini Greek Taverna
